**MDO FOB Rotterdam Fuel oil** current prices reported in the range of USD 370 - 380 PMT. MDO FOB Rotterdam Fuel oil price were hovering around USD 480 - 490 PMT in the month of January 2020. Prices went down further & prices reported at USD 475 - 485 PMT in February, USD 385 - 395 PMT in March and USD 300 - 315 PMT in April. Prices hiked up in May & prices reported at USD 350 - 360 PMT and in June prices reported at USD 390 - 400 PMT. In July prices went down & prices reported at USD 380 - 390 PMT and in August prices reported at USD 385 - 395 PMT. Prices went down in September & prices reported at USD 365 - 375 PMT. In current month i.e. October 2020, price of the product have gone up by USD 5 PMT (1%) as compared to last month price & reported in the range of USD 370 - 380 PMT. Prices gone down by USD 92 PMT (20%) in October 2020, as compared to same period last year i.e. October 2019. Since January 2020, prices have decrease by USD 113 PMT (23%) in October 2020.

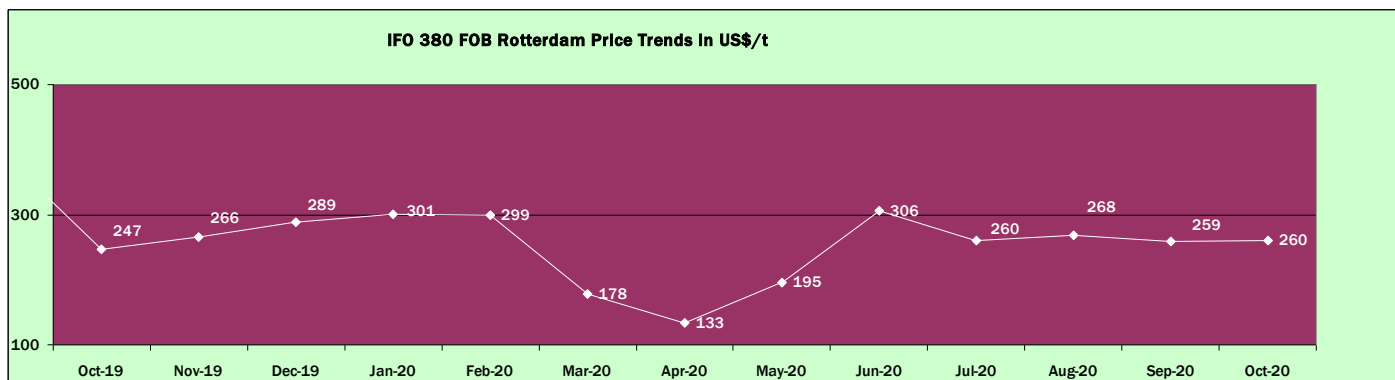

**IFO 380 FOB Houston Fuel oil** current prices reported in the range of USD 255 - 265 PMT. IFO 380 FOB Houston Fuel oil price were hovering around USD 345 - 355 PMT in the month of January 2020. Prices went down further & prices reported at USD 350 - 360 PMT in February, USD 175 - 185 PMT in March and USD 120 - 130 PMT in April. In May prices hiked up & prices reported at USD 170 - 180 PMT and in June prices reported at USD 285 - 295 PMT. Prices dipped down in July & prices reported at USD 260 - 270 PMT, while in August prices went up & prices reported at USD 275 - 285 PMT. In September 2020 prices went down & prices reported at USD 250 - 260 PMT. In current month i.e. October 2020, price of the product have increase by USD 9 PMT (4%) as compared to last month & reported in the range of USD 255 - 265 PMT. Prices went down by USD 62 PMT (19%) in October 2020, as compared to same period last year i.e. October 2019. Since January 2020, prices decrease by USD 85 PMT (24%) in October 2020.

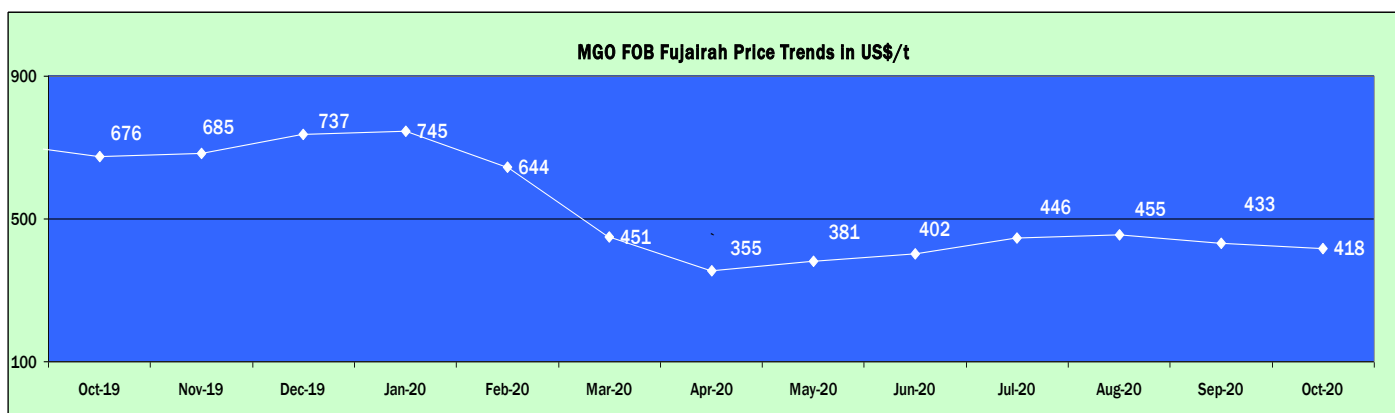

**IFO 380 FOB Rotterdam Fuel oil** current prices reported in the range of USD 255 - 265 PMT. IFO 380 FOB Rotterdam Fuel oil price were hovering around USD 265 - 275 PMT in the month of January 2020, while further prices went down & reported at USD 295 - 305 PMT in February, USD 170 - 180 PMT in March and USD 125 - 135 PMT in April. In May prices marked up & prices reported at USD 190 - 200 PMT and in June prices reported at USD 300 - 310 PMT. Prices dipped down in July & prices reported at USD 255 - 265 PMT, while in August prices marked up & prices reported at USD 265 - 275 PMT. In September 2020 prices went down & prices reported at USD 255 - 265 PMT. In current month i.e. October 2020, price of the product have increase by USD 1 PMT as compared to last month & reported in the range of USD 255 - 265 PMT. Prices went up by USD 13 MT (5%) in October 2020, as

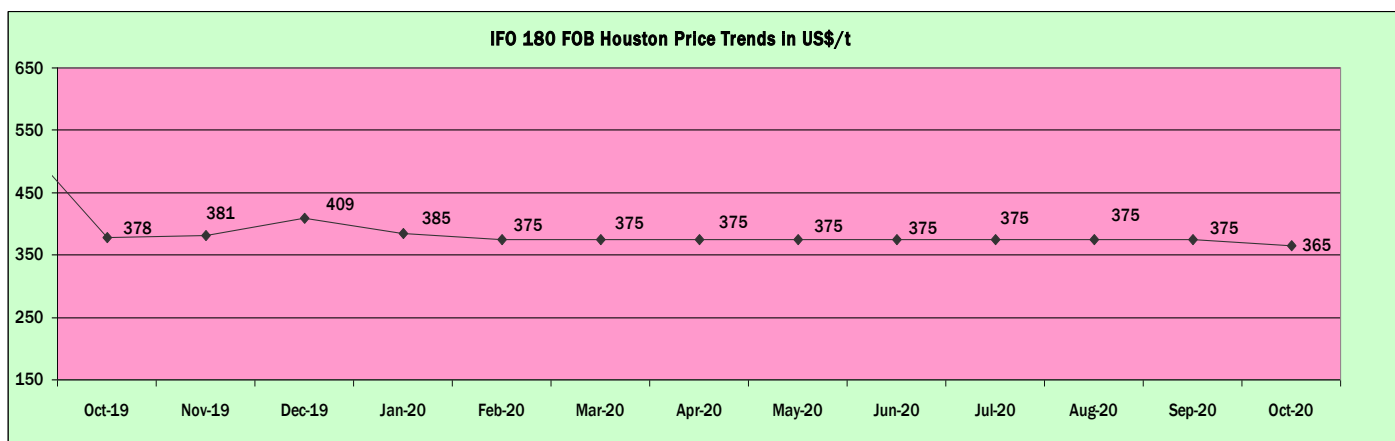

compared to same period last year i.e. October 2019. Since January 2020, prices have decrease by USD 41 PMT (14%) in October 2020.

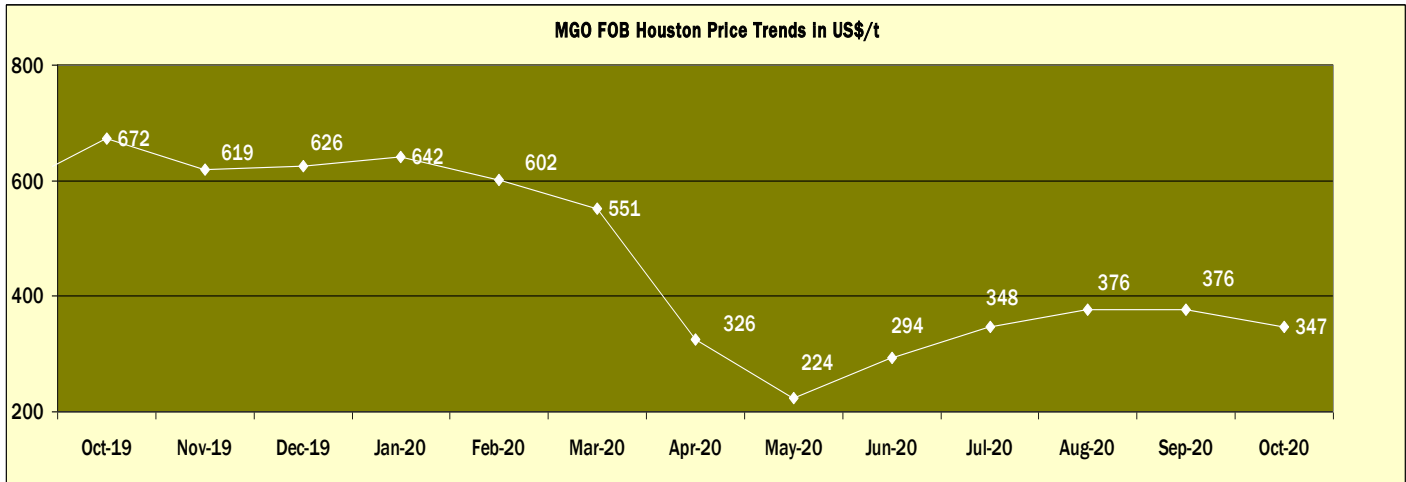

**MGO FOB Fujairah Fuel oil** current prices reported in the range of USD 415 - 425 PMT. MGO FOB Fujairah Fuel oil price were hovering around USD 740 - 750 PMT in the month of January 2020. Prices dipped down further & prices reported in the range of USD 640 - 650 PMT in February, USD 445 - 455 PMT in March and USD 350 - 360 PMT in April. Prices hiked up further & prices reported at USD 375 - 385 PMT in May, USD 395 - 405 PMT in June, USD 440 - 450 PMT in July and USD 450 - 460 PMT in August. In September 2020 prices dipped down & prices reported at USD 425 - 435 PMT. In current month i.e. October 2020, price of the product have decrease by USD 15 PMT (3%) as compared to last month & reported in the range of USD 415 - 425 PMT. Prices gone down by USD 258 PMT (38%) in October 2020, as compared to same period last year i.e. October 2019. Since January 2020, prices have gone down by USD 327 PMT (44%) in October 2020.

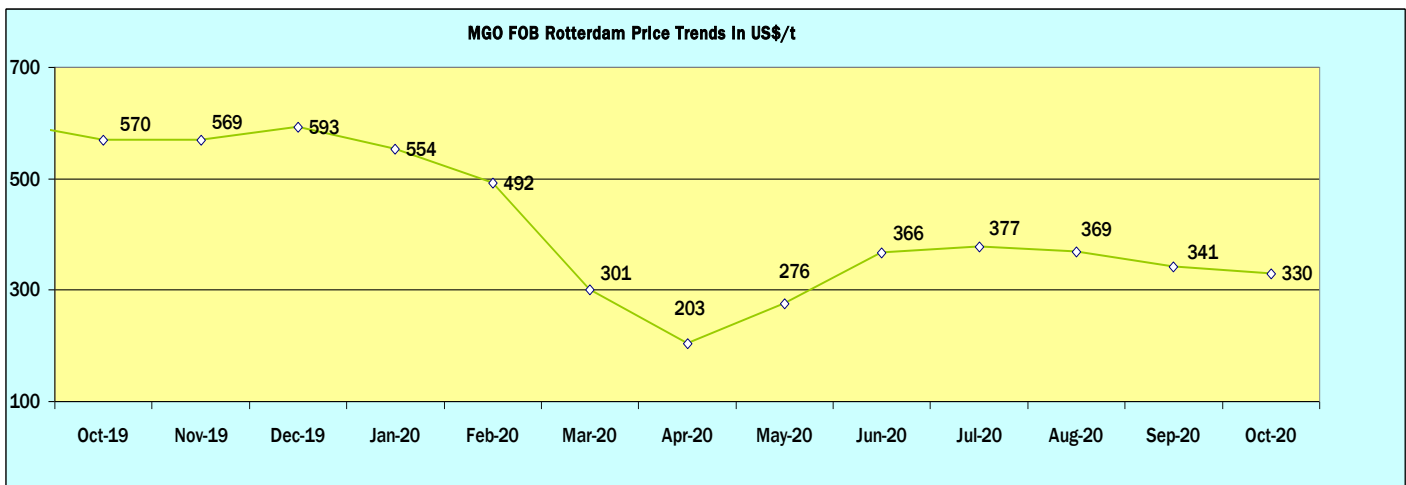

**IFO 180 FOB Houston Fuel oil** current prices reported in the range of USD 360 - 370 PMT. IFO 180 FOB Houston Fuel oil price were hovering around USD 380 - 390 PMT in the month of January 2020. In February prices went down & prices reported at USD 370 - 380 PMT, while in March, April, May, June, July, August & September 2020 prices remained constant as compared to previous month price. In current month i.e. October 2020, price of the product have fall down by USD 10 PMT (3%) as compared to last month & reported in the range of USD 360 - 370 PMT. Prices went down by USD 13 PMT (3%) in October 2020, as compared to same period last year i.e. October 2019. Since January 2020, prices went down by USD 20 PMT (5%) in October 2020.

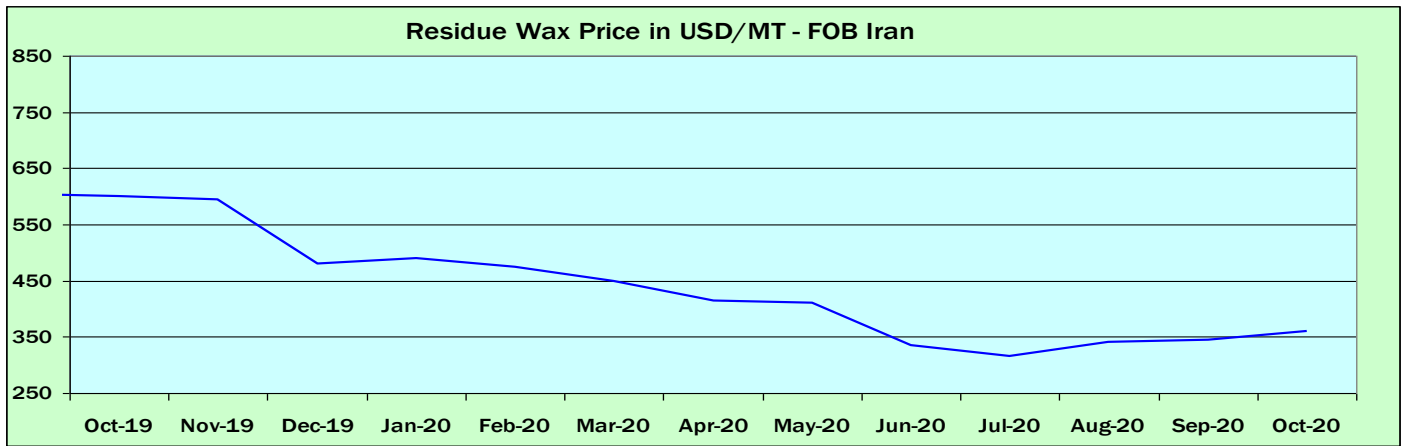

**MGO FOB Houston Fuel oil** current prices reported in the range of USD 370 - 380 PMT. MGO FOB Houston Fuel oil price were hovering around USD 595 - 605 PMT in the month of January 2020. Thereafter prices went down & prices reported in the range of USD 545 - 555 PMT in February, USD 320 - 330 PMT in March and USD 220 - 230 PMT in April. Prices hiked up further & prices reported at USD 290 - 300 PMT in May, USD 345 - 355 PMT in June, USD 370 - 380 PMT in July, while in August prices remained steady as compared to previous price. In September 2020 prices dipped down & prices reported at USD 345 - 355 PMT. In current month i.e. October 2020, price of the product have hike up by USD 27 PMT (8%) as compared to last month & reported in the range of USD 370 - 380 PMT. Prices gone down by USD 245 PMT (40%) in October 2020, as compared to same period last year i.e. October 2019. Since January 2020, prices are down by USD 228 PMT (38%) in October 2020.

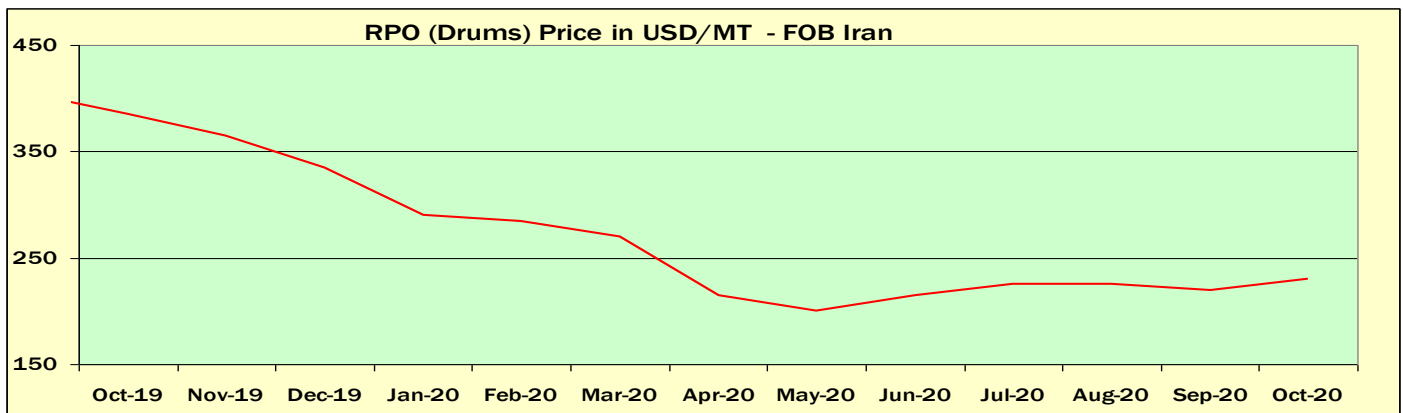

**MGO FOB Rotterdam Fuel oil** current prices reported in the range of USD 325 - 335 PMT. MGO FOB Rotterdam Fuel oil price were hovering around USD 550 - 560 PMT in the month of January 2020. Prices went down further & prices reported in the range of USD 485 - 495 PMT in February, USD 295 - 305 PMT in March and USD 195 - 205 PMT in April. Prices marked up further & prices reported at USD 270 - 280 PMT in May, USD 360 - 370 PMT in June and USD 370 - 380 PMT in July. In August prices went down & prices reported at USD 365 - 375 PMT, while in September 2020 prices went up & prices reported at USD 335 - 345 PMT. In current month i.e. October 2020, price of the product have decrease by USD 11 PMT (3%) as compared to last month & reported in the range of USD 325 - 335 PMT. Prices gone down by USD 240 PMT (42%) in October 2020, as compared to same period last year i.e. October 2019. Since January 2020, prices have gone down by USD 224 PMT (40%) in October 2020.

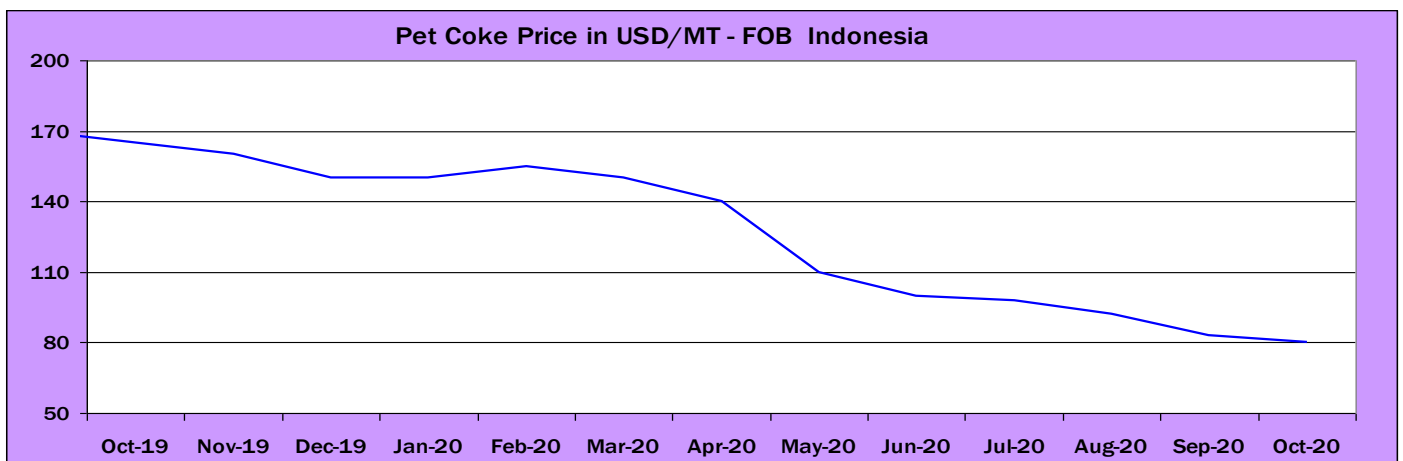

**Residue Wax FOB Iran** current prices reported in the range of USD 350 - 365 PMT. FOB Iran price of Residue Wax were hovering in the range of USD 480 - 495 PMT in the month of January 2020, while further prices dipped down & prices reported at USD 465 - 480 PMT in February, USD 440 - 455 PMT in March, USD 405 - 420 PMT in April, USD 400 - 415 PMT in May, USD 325 - 340 PMT in June and USD 305 - 320 PMT in July. In August prices hiked up & prices reported at USD 330 - 345 PMT and in September 2020 prices reported at USD 335 - 350 PMT. In current month i.e. October 2020, price of the product have hike up by USD 15 PMT (4%) as compared to previous month price & reported in the range of USD 350 - 365 PMT. Prices fall down by USD 240 PMT (40%) in October 2020, as compared to same period last year i.e. October 2019. Since January 2020, prices have fall down by USD 130 PMT (27%) in October 2020.

**RPO (Drums) - FOB Iran** current prices reported at USD 220 – 235 PMT. FOB Iran price of RPO (Drums) were hovering in the range of USD 280 - 295 PMT in the month of January 2020. Thereafter price went down & prices reported in the range of USD 280 - 290 PMT in February, USD 260 – 275 PMT in March, USD 205 – 220 PMT in April and USD 190 – 205 PMT in May. In June prices marked up & prices reported at USD 205 – 220 PMT, while in July prices reported at USD 215 – 230 PMT and in August prices remained steady as compared to previous month price. Prices dipped down in September 2020 & prices reported at USD 210 – 225 PMT. In current month i.e. October 2020, price of the product have hike up by USD 10 PMT (5%) as compared to last month & reported in the range of USD 220 – 235 PMT. Prices decreased by USD 155 PMT (40%) in October 2020, as compared to same period last year i.e. October 2019. Since January 2020, prices have gone down by USD 60 PMT (21%) in October 2020.

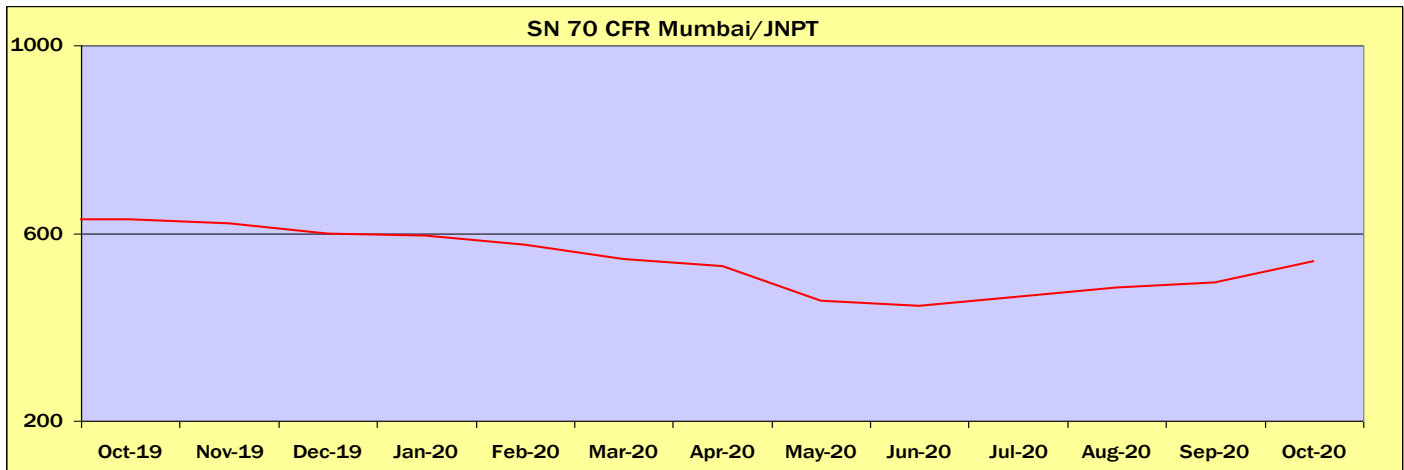

**Pet Coke FOB Indonesia** current prices reported at USD 70 - 85 PMT. Pet Coke FOB Indonesia prices were hovering in the range of USD 140 - 155 PMT in the month of January 2020, while further prices fall down & prices reported at USD 145 – 160 PMT in February, USD 140 – 155 PMT in March, USD 130 – 145 PMT in April, USD 100 – 115 PMT in May, USD 90 – 105 PMT in June, USD 95 – 105 PMT in July, USD 85 – 95 PMT in August and USD 75 – 85 PMT in September 2020. In current month i.e. October 2020, price of the product have fall down by USD 3 PMT (4%) as compared to last month & reported in the range of USD 70 – 85 PMT. Prices went down by USD 85 PMT (52%) in October 2020, as compared to same period last year i.e. October 2019. Since January 2020, prices have fall down by USD 70 PMT (47%) in October 2020.

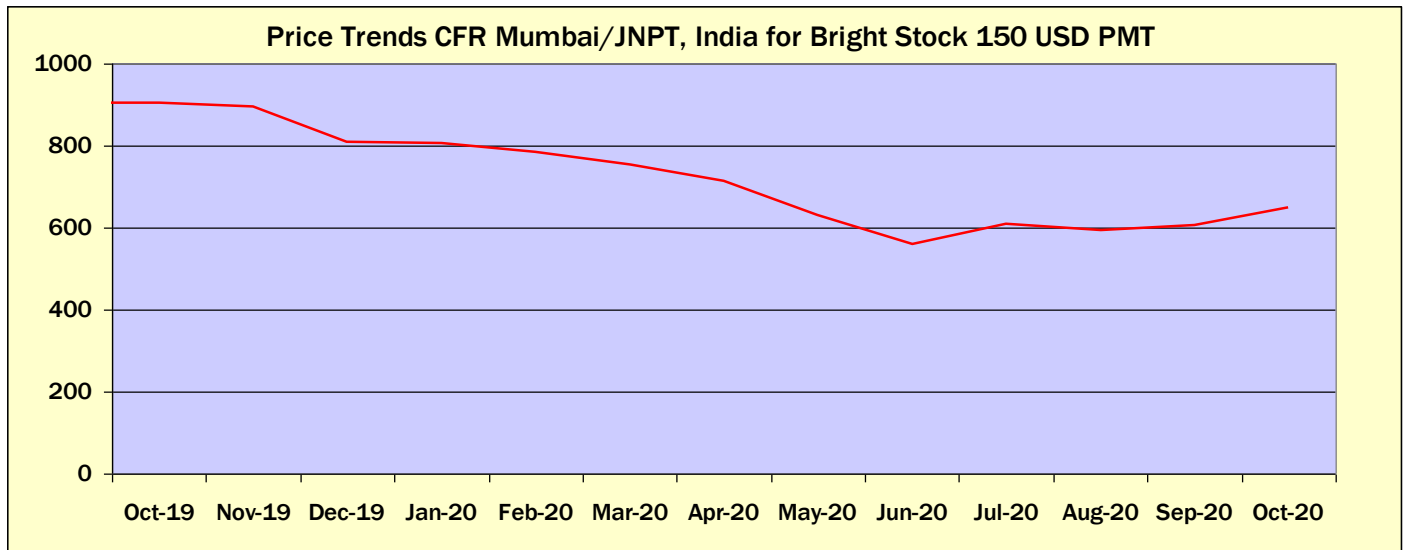

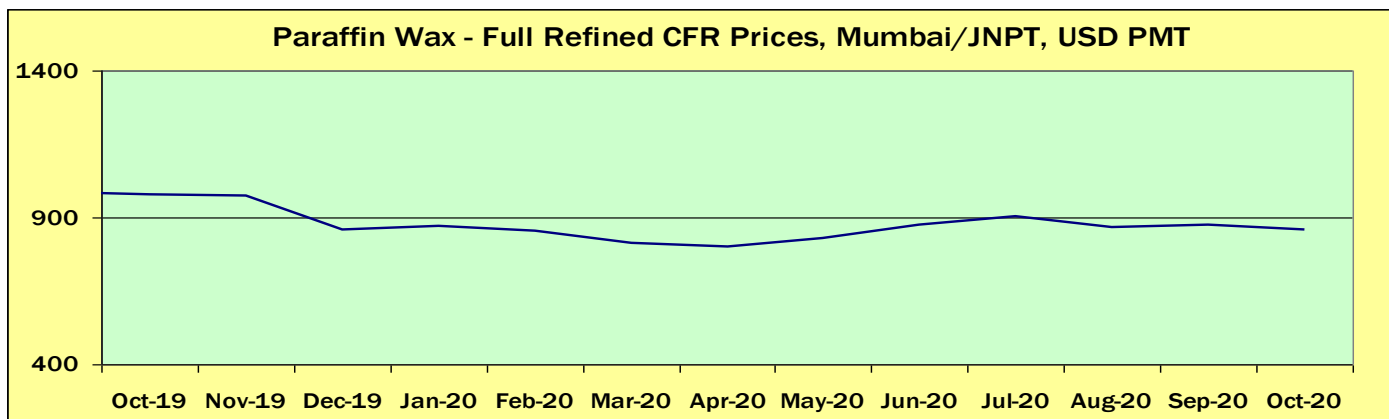

**SN 70 CFR India** current prices were hovering around USD 530 - 545 PMT. SN 70 CFR India price were hovering in the range of USD 585 - 600 PMT in the month of January 2020. Prices went down further & prices reported at USD 565 - 580 PMT in February, USD 535 - 550 PMT in March, USD 520 - 535 PMT in April, USD 445 - 460 PMT in May and USD 435 - 450 PMT in June. Further prices marked up & prices reported at USD 455 - 470 PMT in July, USD 475 - 490 PMT in August and USD 485 - 500 PMT in September 2020. In current month i.e. October 2020, price of the product have gone up by USD 45 PMT (9%) as compared to previous month price & reported in the range of USD 530 - 545 PMT. Prices went down by USD 90 PMT (14%) in October 2020, as compared to same period last year i.e. October 2019. Since January 2020, prices have gone down by USD 55 PMT (9%) in October 2020.

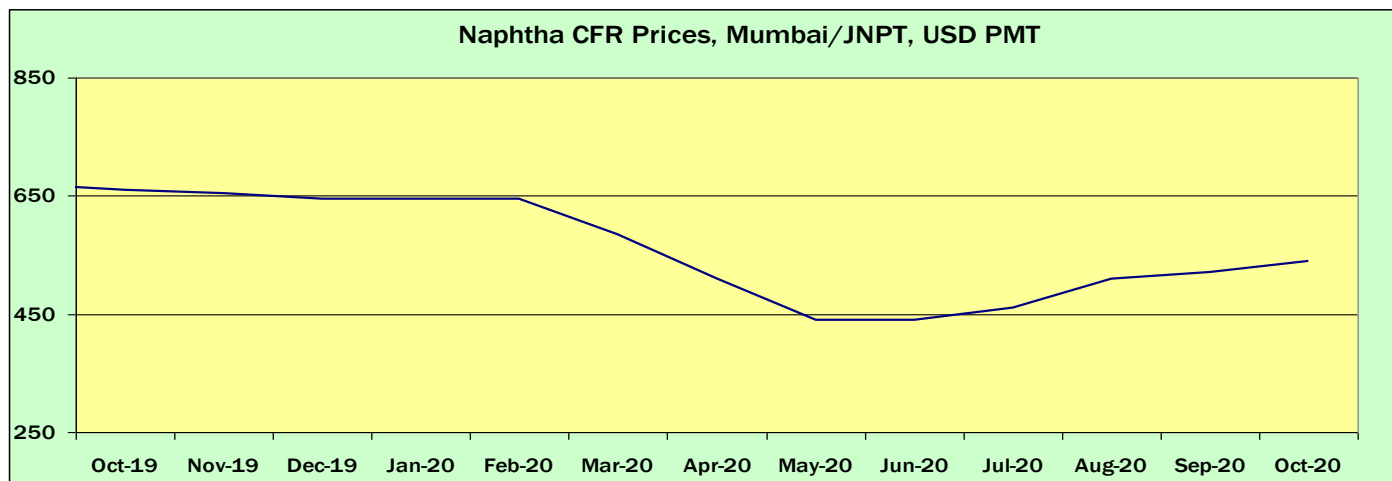

**Bright Stock 150 CFR** current prices were hovering in the range of USD 640 - 655 PMT. Bright Stock 150 CFR prices were oscillating in the range of USD 795 - 810 PMT in January 2020. Further prices dipped down & prices reported at USD 775 - 790 PMT in February, USD 745 - 760 PMT in March, USD 705 - 720 PMT in April, USD 620 - 635 PMT in May and USD 550 - 565 PMT in June. In July prices marked up & prices reported at USD 600 - 615 PMT, while in August prices dipped down & prices reported at USD 585 - 600 PMT. In September 2020 prices hiked up & prices reported at USD 595 - 610 PMT. In current month i.e. October 2020, price of the product have hike up by USD 45 PMT (7%) as compared to last month & reported in the range of USD 640 - 655 PMT. Prices fall down by USD 255 PMT (28%) in October 2020, as compared to same period last year i.e. October 2019. Since January 2020, prices fall down by USD 155 PMT (19%) in October 2020.

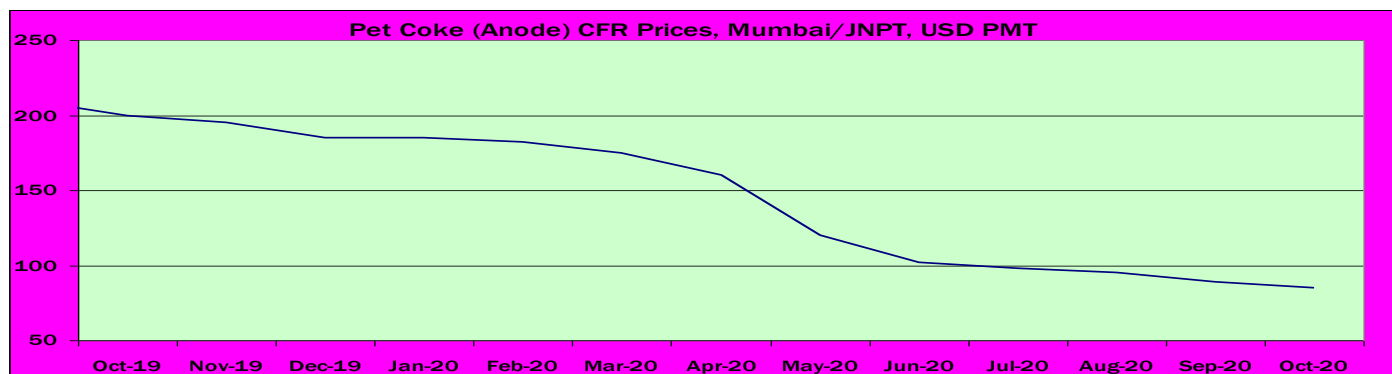

**Paraffin wax full refined CFR** current prices reported at USD 850 - 865 PMT. Paraffin wax full refined CFR India prices were oscillating in the range of USD 860 - 875 PMT in January 2020, while prices dipped down further & prices reported at USD 845 - 860 PMT in February, USD 805 - 820 PMT in March and USD 790 - 805 PMT in April. Further prices hiked up & prices reported at USD 820 - 835 PMT in May, USD 865 - 880 PMT in June and USD 895 - 910 PMT in July. Prices went down in August & prices reported at USD 855 - 870 PMT, while in September 2020 prices marked up & prices reported at USD 865 - 880 PMT. In current month i.e. October 2020, price of the product have fall down by USD 15 PMT (2%) as compared to previous month price and reported in the range of USD 850 - 865 PMT. Prices have dipped down by USD 120 PMT (12%) in October 2020, as compared to same period last year i.e. October 2019. Since January 2020, prices went down by USD 10 PMT (1%) in October 2020.

**Naphtha CFR India** current prices reported in the range of USD 530 - 545 PMT. CFR India prices of Naphtha were oscillating in the range of USD 635 - 650 PMT in the month of January 2020, while in February prices remained steady as compared to previous month price. Further prices dipped down & prices reported at USD 575 - 590 PMT in March, USD 500 - 515 PMT in April, USD 430 - 445 PMT in May and in June prices remained steady as compared to previous month price. Further prices hiked up & prices reported at USD 450 - 465 PMT in July, USD 500 - 515 PMT in August and USD 510 - 525 PMT in September 2020. In current month i.e. October 2020, price of the product have hike up by USD 20 PMT (4%) as compared to previous month price & priced in the range of USD 530 - 545 PMT. Prices went down by USD 120 PMT (18%) in October 2020, as compared to same period last year i.e. October 2019. Since January 2020, prices have fall down by USD 105 PMT (16%) in October 2020.

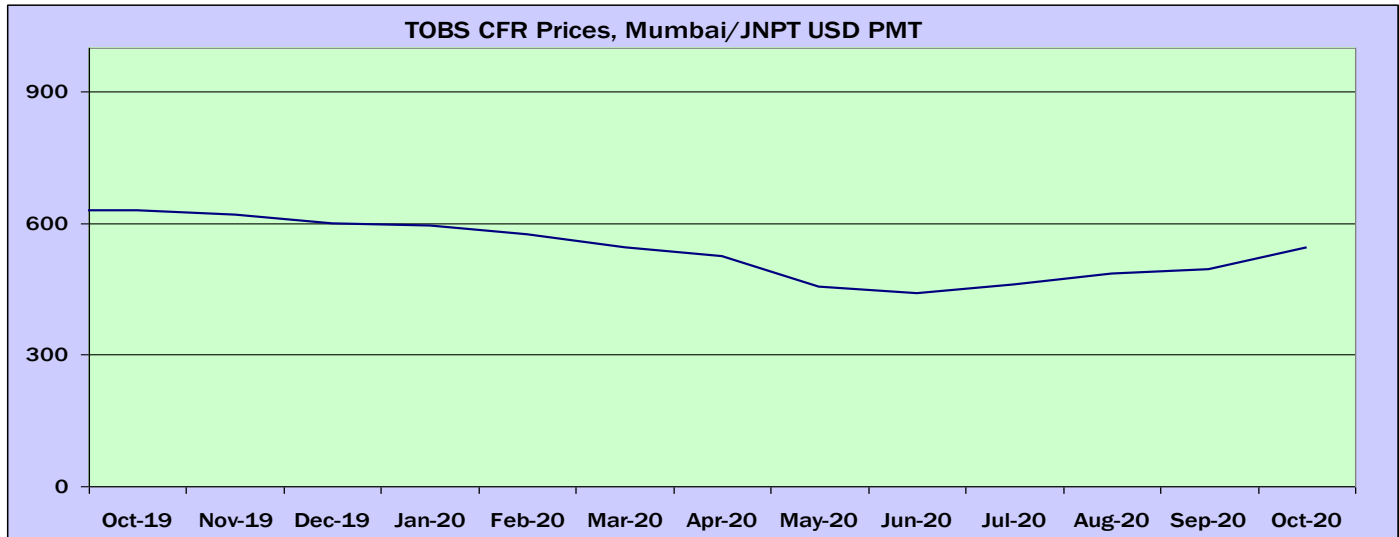

**Pet Coke (Anode) CFR India** current prices reported in the range of USD 75 - 90 PMT. CFR India prices of Pet Coke (Anode) were oscillating in the range of USD 175 - 190 PMT in the month of January 2020, while further prices went down & prices reported at USD 175 - 185 PMT in February, USD 165 - 180 PMT in March, USD 150 - 165 PMT in April, USD 110 - 125 PMT in May, USD 95 - 105 PMT in June, USD 95 - 105 PMT in July, USD 90 - 100 PMT in August and USD 85 - 95 PMT in September 2020. In current month i.e. October 2020, price of the product have fall down by USD 4 PMT (4%) as compared to previous month price & priced in the range of USD 80 - 90 PMT. Prices decrease by USD 115 PMT (58%) in October 2020, as compared to same period last year i.e. October 2019. Since January 2020, prices have fall down by USD 100 PMT (54%) in October 2020.

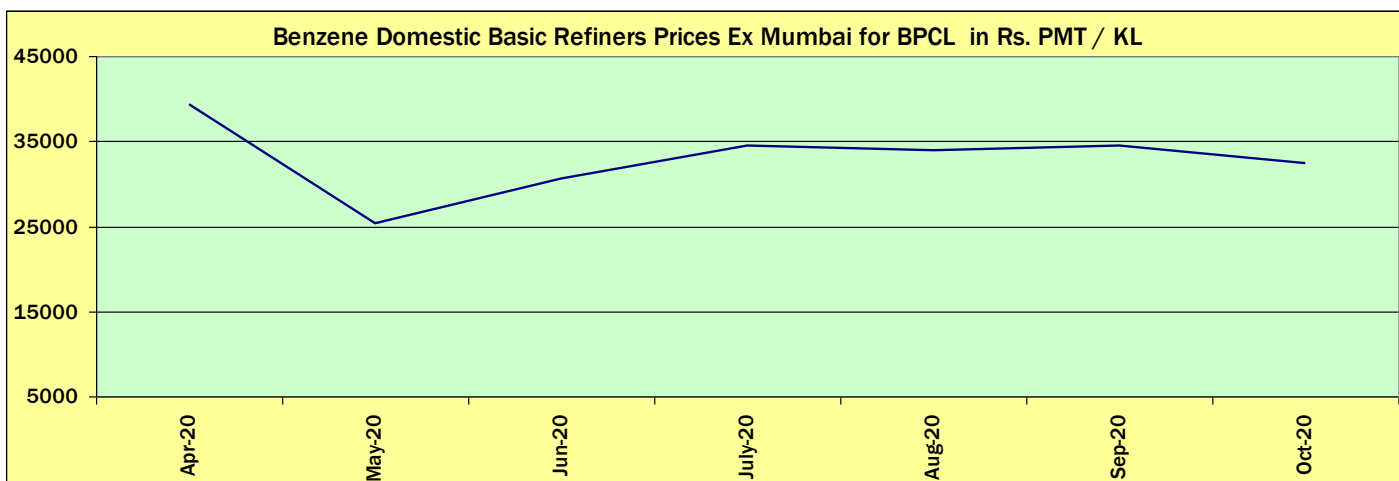

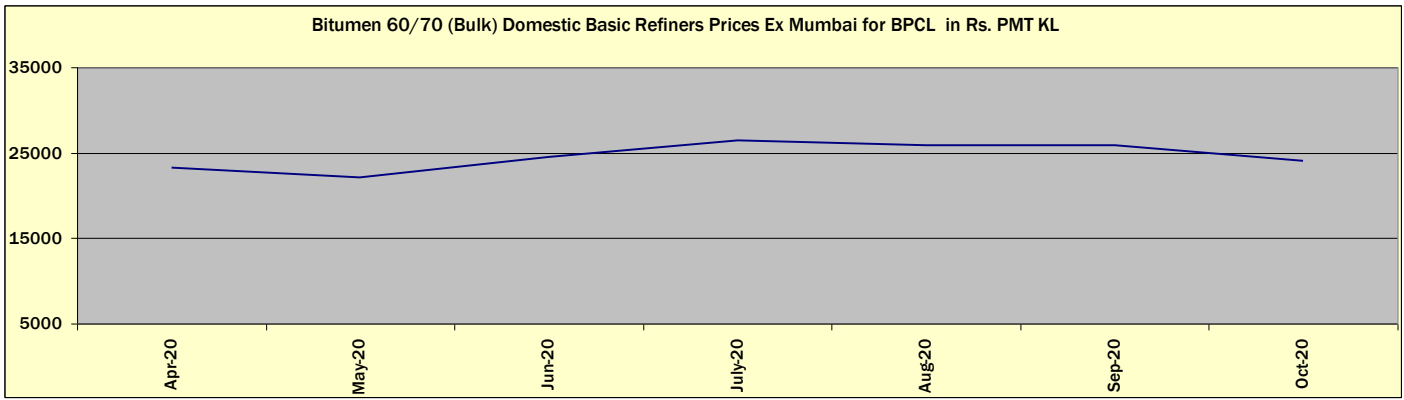

**TOBS CFR India** current prices reported at USD 535 - 550 PMT. TOBS CFR India prices were oscillating in the range of USD 585 – 600 PMT in January 2020. Further prices went down & prices reported at USD 565 – 580 PMT in February, USD 535 -550 PMT in March, USD 515 – 530 PMT in April, USD 445 – 460 PMT in May and USD 430 – 445 PMT in June. Prices marked up further & prices reported at USD 450 – 465 PMT in July, USD 475 – 490 PMT in August and USD 485 – 500 PMT in September 2020. In current month i.e. October 2020, price of the product have increase by USD 50 PMT (10%) as compared to previous month price and prices reported in the range of USD 535 - 550 PMT. Prices went down by USD 85 PMT (13%) in October 2020, as compared to same period last year i.e. October 2019. Since January 2020, prices have gone down by USD 50 PMT (8%) in October 2020.

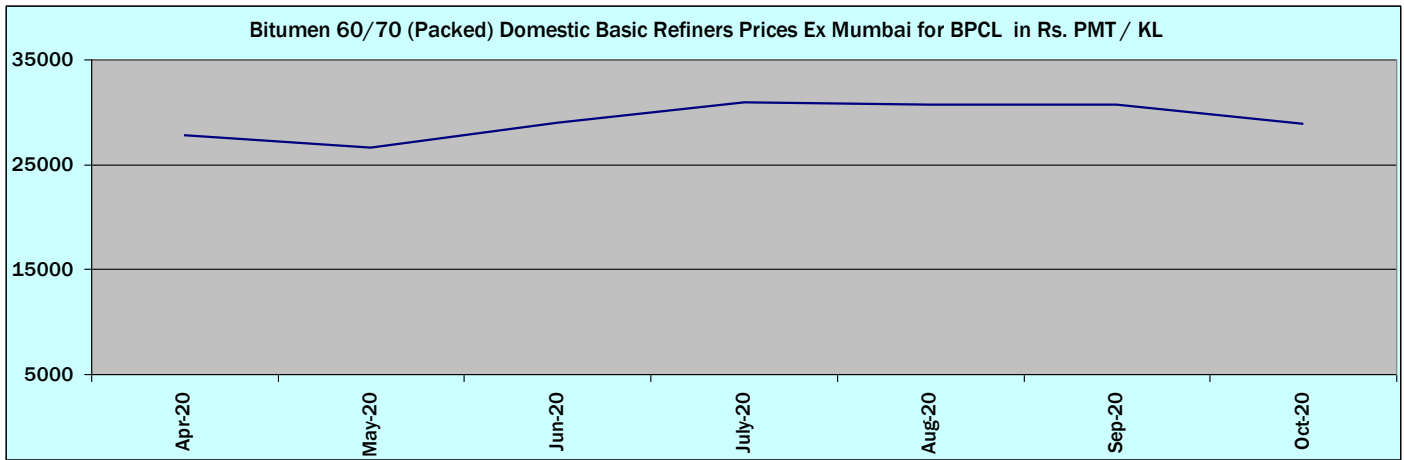

**Benzene BPCL India** current prices reported at Rs.32380 PMT. Benzene BPCL India prices were hovering around Rs.53530 PMT in the month of January 2020, while in February prices went up & prices reported at Rs.54490 PMT. Prices dipped down further & prices reported at Rs.50180 PMT in March, Rs.39300 PMT in April, Rs.25290 PMT in May. In June prices marked up & prices reported at Rs.30630 PMT, while in July prices reported at Rs.34470 PMT. Prices dipped down in August & prices reported at Rs.33950 PMT, while in September 2020 prices marked up & prices reported at Rs.34540 PMT. In current month i.e. mid October 2020, price of the product have fall down by Rs.2160 PMT (6%) as compared to mid September 2020 price & prices reported at Rs.32380 PMT. Prices dipped down by 40% in October 2020, as compared to same period last year i.e. October 2019. Since January 2020, prices have decrease by Rs.21620 PMT (40%) in mid October 2020.

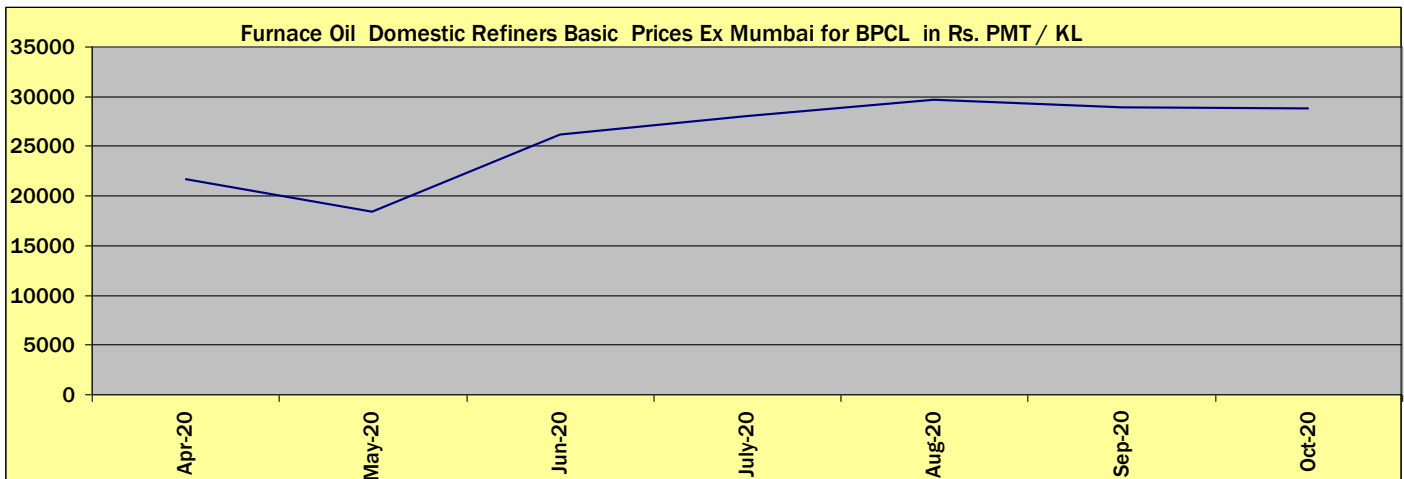

**Bitumen 60/70 (Bulk) BPCL India** current prices reported at Rs.24080 PMT. Bitumen 60/70 (Bulk) BPCL India prices were hovering around Rs.29020 PMT in the month of January 2020. In February prices marked up & reported at Rs.30450 PMT, while further prices went down & prices reported at Rs.29150 PMT in March, Rs.23260 PMT in April, Rs.22120 PMT in May and Rs.24450 PMT in June. Prices firmed up in July & prices reported at Rs.26430 PMT, while in August prices dipped down & prices reported at Rs.25930 PMT and in September 2020 prices remained steady as compared to previous month price. In current month i.e. mid October 2020, price of the product have fall down by Rs.1850 PMT (7%) as compared to mid September 2020 price & prices reported at Rs.24080 PMT. Prices dipped down by 17% in October 2020, as compared to same period last year i.e. October 2019. Since January 2020, prices have decrease by Rs.10430 PMT (30%) in mid October 2020.

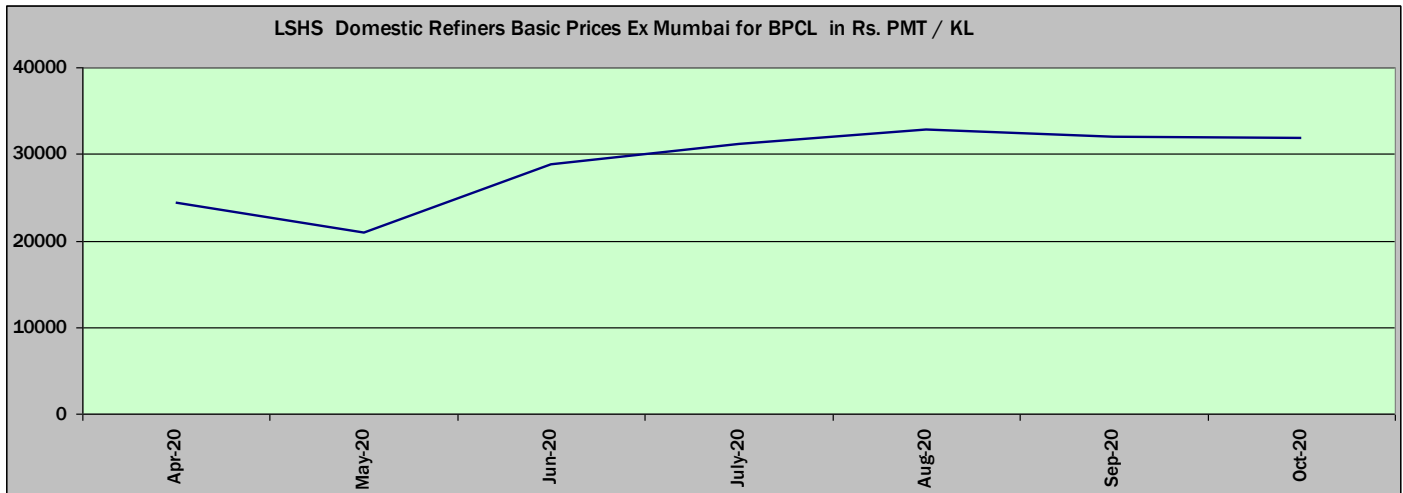

**Bitumen 60/70 (Packed)** BPCL India current prices reported at Rs.28880 PMT. Bitumen 60/70 (Packed) BPCL India prices were hovering around Rs.34020 PMT in the month of January 2020, while in February prices marked up & reported at Rs.35450 PMT. Further prices went down & prices reported at Rs.34150 PMT in March, Rs.27760 PMT in April, Rs.26620 PMT in May and Rs.28950 PMT in June. In July prices firmed up & prices reported at Rs.30930 PMT, while in August prices went down & prices reported at Rs.30730 PMT and in September 2020 prices remained constant as compared to previous month price. In current month i.e. mid October 2020, price of the product have fall down by Rs.1850 PMT (6%) as compared to mid September 2020 price & prices reported at Rs.28880 PMT. Prices have gone down by 15% in October 2020, as compared to same period last year i.e. October 2019. Since January 2020, prices have decrease by Rs.10130 PMT (26%) in mid October 2020.

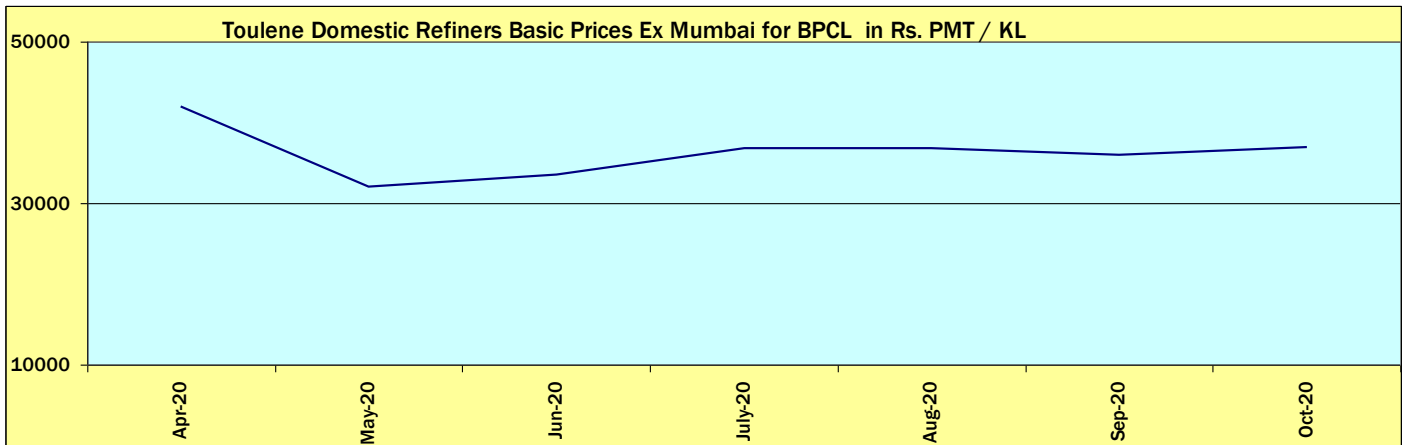

**Furnace Oil** BPCL India current prices reported at Rs.28800 PMT. Furnace Oil BPCL India prices were hovering around Rs.31450 PMT in the month of January 2020, while further prices went down & prices reported at Rs.30360 PMT in February, Rs.27980 PMT in March, Rs.21710 PMT in April, Rs.18340 PMT in May and Rs.26120 PMT in June. In July prices marked up & prices reported at Rs.27980 PMT, while in August prices reported at Rs.29640 PMT. Prices dipped down in September 2020 & prices reported at Rs.28900 PMT. In current month i.e. mid October 2020, price of the product have went down by Rs.100 PMT as compared to mid September price & prices reported at Rs.28800 PMT. Prices decreased by 8% in October 2020, as compared to same period last year i.e. October 2019. Since January 2020, prices have decrease by Rs.1560 PMT (5%) in mid October 2020.

**LSHS** BPCL India current prices reported at Rs.31900 PMT. LSHS BPCL India prices were hovering around Rs.33050 PMT in the month of January 2020, while further prices marked down & prices reported at Rs.30360 PMT in February, Rs.28580 PMT in March, Rs.24310 PMT in April, Rs.20940 PMT in May and 28720 PMT in June. In July prices marked up & prices reported at Rs.31080 PMT and in August prices reported at Rs.32740 PMT. Prices went down in September 2020 & prices reported at Rs.32000 PMT. In current month i.e. mid October 2020, price of the product have fall down by Rs.100 PMT as compared to last month mid September price & prices reported at Rs.31900 PMT. Prices went down by 3% in October 2020, as compared to same period last year i.e. October 2019. Since January 2020, prices went up by Rs.890 PMT (3%) in mid October 2020.

**Toluene** BPCL India current prices reported at Rs.37000 PMT. Toluene BPCL India prices were hovering around Rs.57500 PMT in the month of January 2020, whereas in February prices went up & prices reported at Rs.58000 PMT. Further prices dipped down & prices reported at Rs.53000 PMT in March, Rs.42000 PMT in April, Rs.32000 PMT in May and Rs.33500 PMT in June. In July prices marked up & prices reported at Rs.36750 PMT and in August prices remained steady as compared to previous month price. In September 2020 prices dipped down & prices reported at Rs.36000 PMT. In current month i.e. mid October 2020, price of the product have hike up by Rs.1000 PMT (3%) as compared to mid September 2020 price & prices reported at Rs.37000 PMT. Prices decreased by 36% in October 2020, as compared to same period last year i.e. October 2019. Since January 2020, prices have decrease by Rs.19500 PMT (35%) in mid October 2020.

**Korea** produced nearly 2.06 million KL of **Gasoline** in the month of August 2020. The country managed to ship 2.02 million KL in the said month. Korea has a good demand for the Gasoline in the country itself; it has sold 1.17

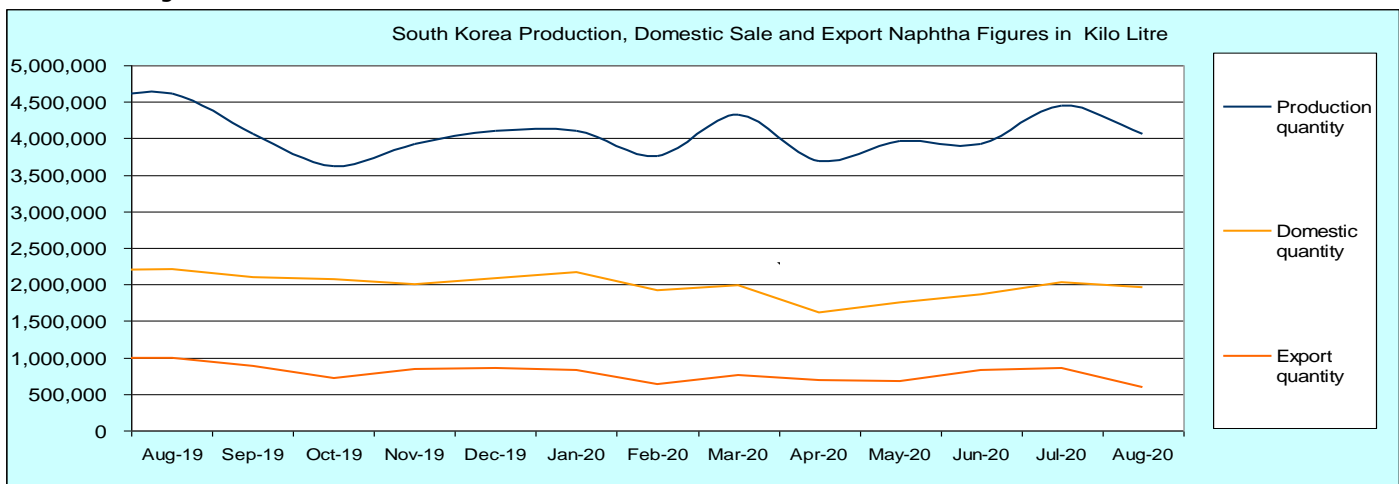

million KL in the domestic market and sent only 850922 KL for exports. Inventory level reported at 419289 KL at the end of August 2020.

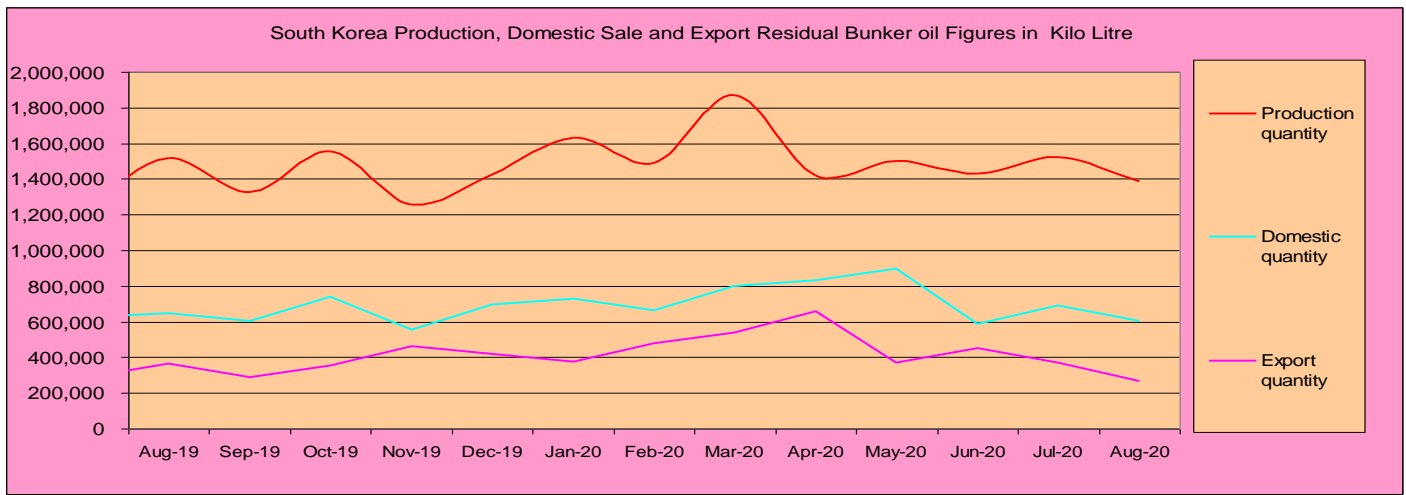

**Korea** produced nearly 1.56 million KL of **Jet fuel oil** in the month of August 2020. The country managed to ship 1.40 million KL in the said month. Korea has a good demand for the Jet fuel oil in the country itself; it has sold 362218 KL in the domestic market and sent only 1.04 million KL for exports. Inventory level reported at 668927 KL at the end of August 2020.

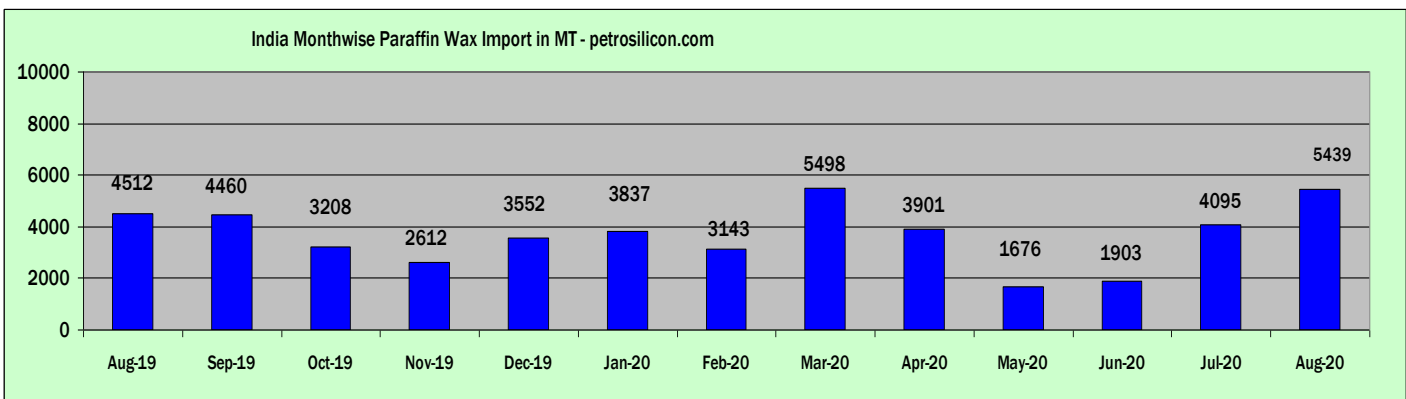

**Korea** produced nearly 4.05 million KL of **Naphtha** in the month of August 2020. The country managed to ship 2.55 million KL in the said month. Korea has a good demand for Naphtha in the country itself; it has sold 1.95 million KL in the domestic market and sent only 597380 KL for exports. Inventory level reported at 586084 KL at the end of August 2020.

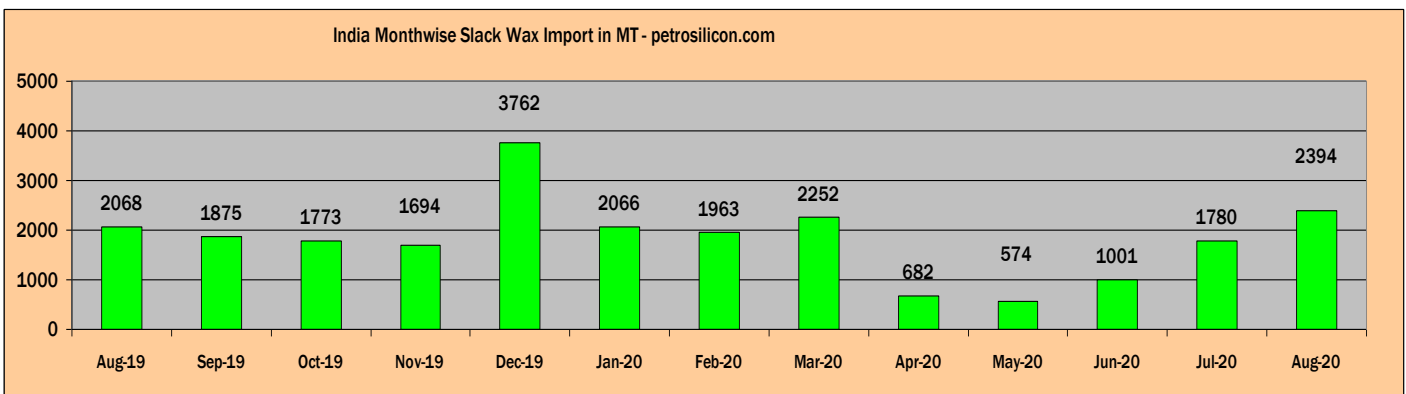

Korea produced nearly 1.38 million KL of **Residual bunker oil** in the month of August 2020. The country managed to ship 871040 KL in the said month. Korea has a good demand for the Residual bunker oil in the country itself; it has sold 602142 KL in the domestic market and sent only 268898 KL for exports. Inventory level reported at 523879 KL at the end of August 2020.

During the period January to August 2020, **India imported 29492 MT of Paraffin Wax**. The country imported 3837 MT in January 2020, 3143 MT in February, 5498 MT in March, 3901 MT in April, 1676 MT in May, 1903 MT in June, 4095 MT in July and 5439 MT in August 2020. During the period January to August 2019, India imported 32959 MT of Paraffin Wax. As per the data analysis by our team, import of the country has decreased by 11% during January to August 2020, as compared to the same period last year i.e. January to August 2019. Paraffin Wax import of India has gone up by 33% in August 2020, as compared to last month i.e. July 2020. Compared to same period last year i.e. August 2019, Paraffin Wax import of India has increased by 21% in August 2020.

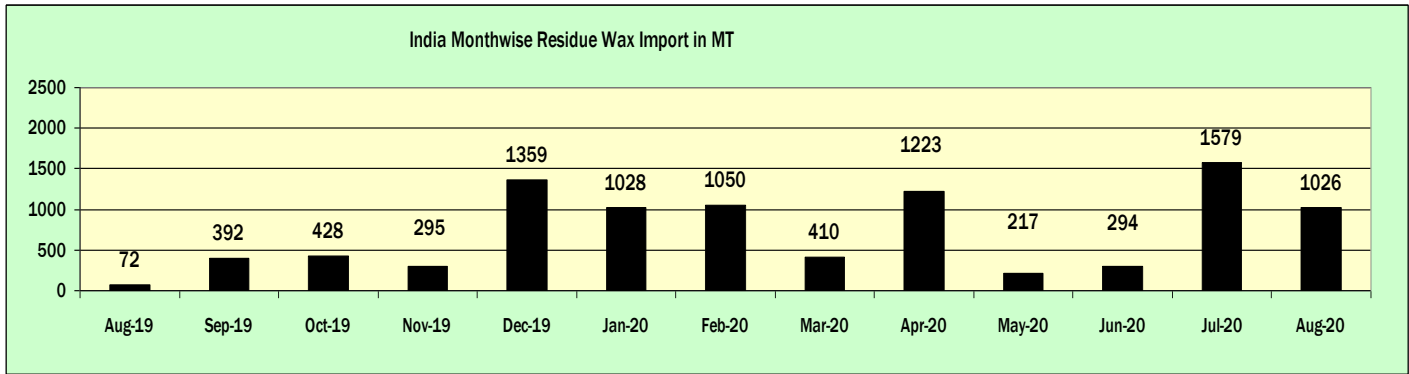

During the period January to August 2020, **India imported 12712 MT of Slack Wax**. The country imported 2066 MT in January 2020, 1963 MT in February, 2252 MT in March, 682 MT in April, 574 MT in May, 1001 MT in June, 1780 MT in July and 2394 MT in August 2020. During the period January to August 2019, India imported 18150 MT of Slack Wax. As per the data analysis by our team, import of the country has gone down by 30% during January to August 2020, as compared to the same period last year i.e. January to August 2019. Slack Wax import of India has increased by 34% in August 2020, as compared to last month i.e. July 2020. Compared to same period last year i.e. August 2019, Slack Wax import of India has gone up by 16% in August 2020.

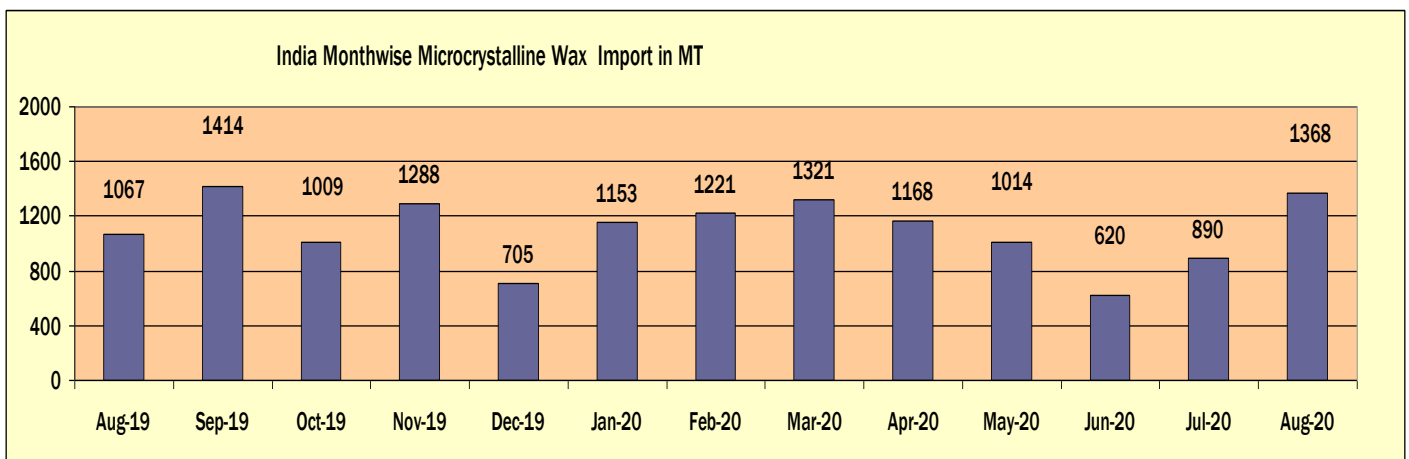

During the period January to August 2020, **India imported 6827 MT of Residue Wax**. The country imported 1028 MT in January 2020, 1050 MT in February, 410 MT in March, 1223 MT in April, 217 MT in May, 294 MT in June, 1579 MT in July and 1026 MT in August 2020. During the period January to August 2019, India imported 8131 MT of Residue Wax. As per the data analysis by our team, import of the country has decreased by 16% during January to August 2020, as compared to the same period last year i.e. January to August 2019.

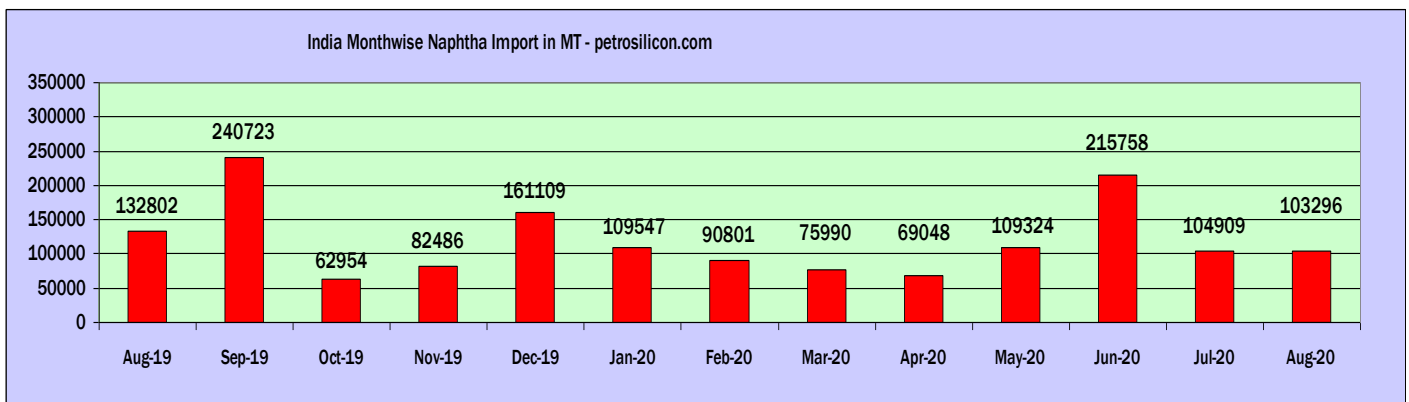

August 2020, as compared to the same period last year i.e. January to August 2019. Residue Wax import of India has decreased by 35% in August 2020, as compared to last month i.e. July 2020. Compared to same period last year i.e. August 2019, Residue Wax import of India has gone up by 954 MT in August 2020.

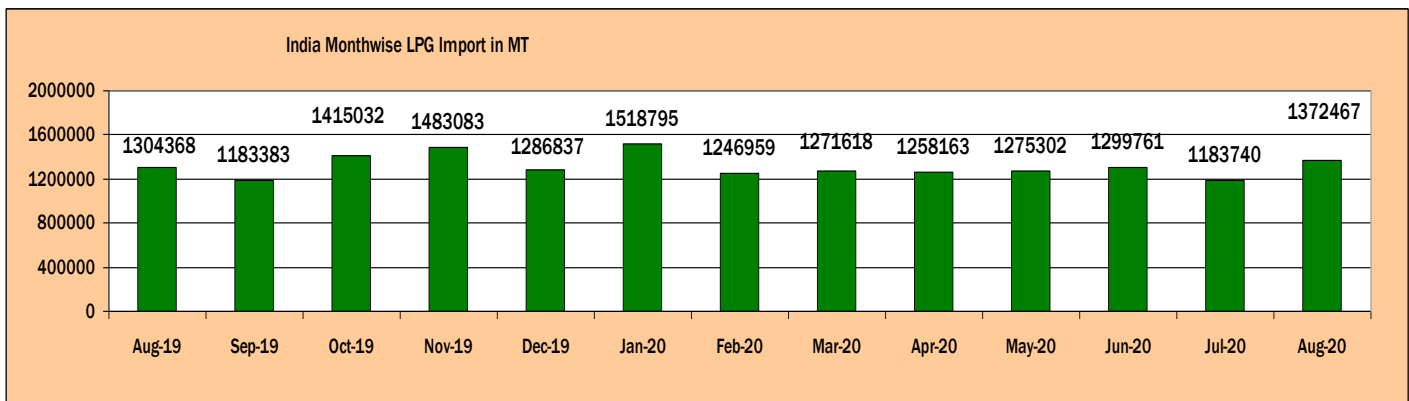

During the period January to August 2020, **India imported 8755 MT of Microcrystalline Wax**. The country imported 1153 MT in January 2020, 1221 MT in February, 1321 MT in March, 1168 MT in April, 1014 MT in May, 620 MT in June, 890 MT in July and 1368 MT in August 2020. During the period January to August 2019, India imported 7846 MT of Microcrystalline Wax. As per the data analysis by our team, import of the country has gone up by 12% during January to August 2020, as compared to the same period last year i.e. January to August 2019. Microcrystalline Wax import of India has gone up by 54% in August 2020, as compared to last month i.e. July 2020. Compared to same period last year i.e. August 2019, Microcrystalline Wax import of India has gone up by 28% in August 2020.

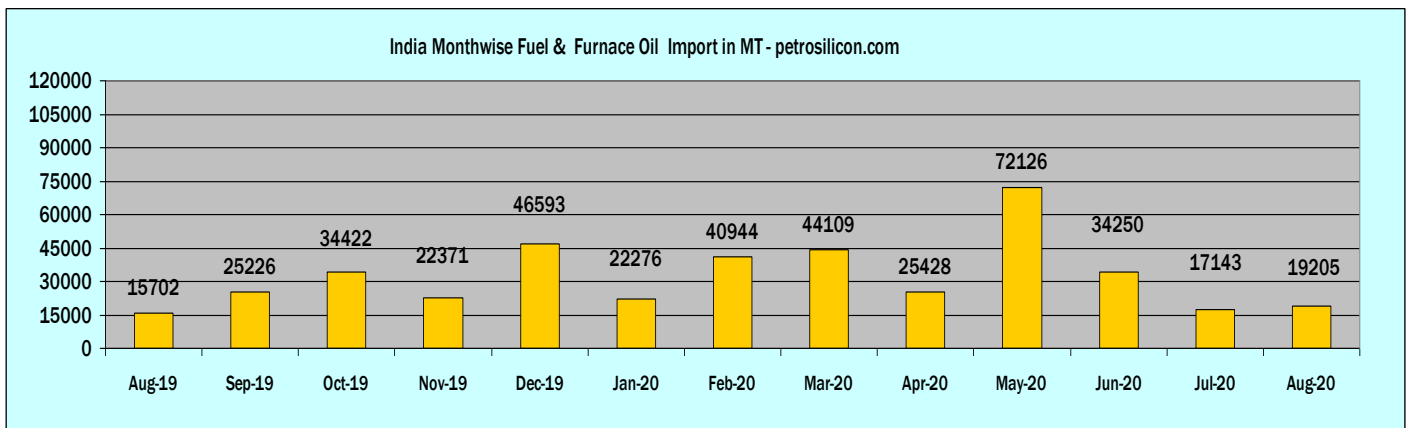

During the period January to August 2020, **India imported 878673 MT of Naphtha**. The country imported 109547 MT of Naphtha in January, 90801 MT in February, 75990 MT in March, 69048 MT in April, 109324 MT in May, 215758 MT in June, 104909 MT in July and 103296 MT in August 2020. During the period January to August 2020, India imported 820151 MT of Naphtha. As per the data analysis by our team, import of the country has increased by 7% during Jan to August 2020, as compared to the same period last year i.e. Jan to August 2019. Naphtha import of India has gone down by 2% in August 2020, as compared to last month i.e. July 2020. Compared to same period last year i.e. August 2019, India Naphtha import was down 22% in August 2020.

During the period January to August 2020, **India imported** 10.42 million MT of **LPG**. The country imported 1.51 million MT of LPG in January, 1.24 million MT in February, 1.27 million MT in March, 1.25 million MT in April, 1.27 million MT in May, 1.29 million MT in June, 1.18 million MT in July and 1.37 million MT in August 2020. During the period January to August 2019, India imported 9.42 million MT of LPG. As per the data analysis by our team, import of the country has increased by 11% during Jan to August 2020, as compared to the same period last year i.e. Jan to August 2019. LPG import of India has up by 16% in August 2020, as compared to last month i.e. July 2020. Compared to same period last year i.e. August 2019, India LPG import has gone up by 5% in August 2020.

During the period January to August 2020, **India imported** 275481 MT of **Furnace Oil**. The country imported 22276 MT of Furnace Oil in January, 40944 MT in February, 44109 MT in March, 25428 MT in April, 72126 MT in May, 34250 MT in June, 17143 MT in July and 19205 MT in August 2020. During the period January to August 2019, India imported 188954 MT of Furnace Oil. As per the data analysis by our team, import of the country has increased by 46% during Jan to August 2020, as compared to the same period last year i.e. Jan to August 2019. Furnace Oil import of India has increased by (12%) in August 2020, as compared to last month i.e. July 2020. Compared to same period last year i.e. August 2019, India Furnace Oil import has gone up by (22%) in August 2020.

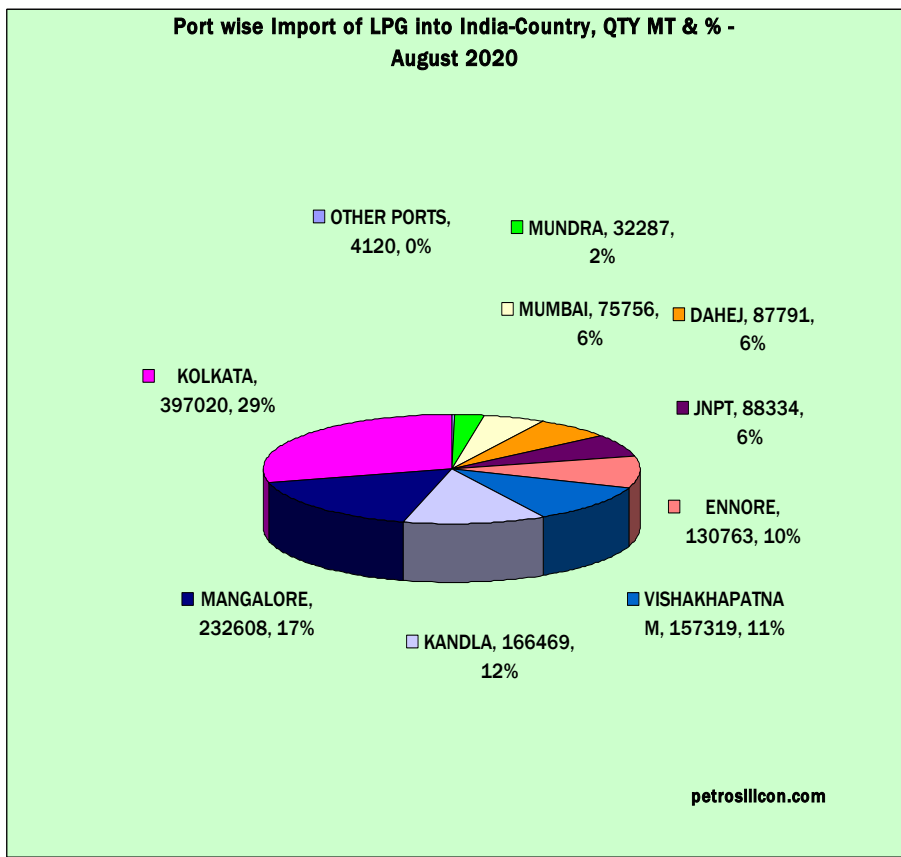

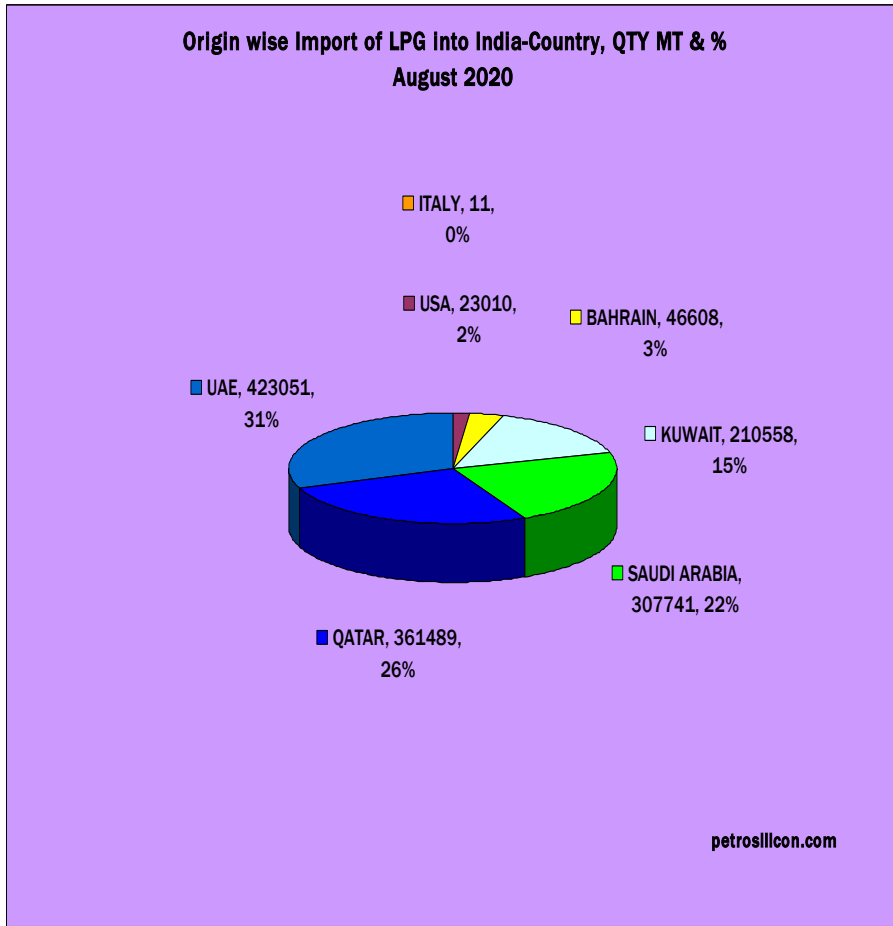

During the month of August 2020, **India imported** 1.37 million MT of **LPG**. The country imported 423051 MT (31%) from UAE, 361489 MT (26%) from Qatar, 307741 MT (22%) from Saudi Arabia, 210558 MT (15%) from Kuwait, 46608 MT (3%) from Bahrain, 23010 MT (2%) from USA and 11 MT from Italy. India imported 1.37 million MT of LPG into different ports like 397020 MT (29%) into Kolkata, 232608 MT (17%) into Mangalore, 166469 MT (12%) into Kandla, 157319 MT (11%) into Vishakhapatnam, 130763 MT (10%) into Ennore, 88334 MT (6%) into JNPT, 87791 MT (6%) into Dahej, 75756 MT (6%) into Mumbai, 32287 MT (2%) into Mundra and 4120 MT into Other Ports.

During the month of August 2020, **India imported** 70511 MT of **Toluene**. The country imported 27376 MT (39%) from Thailand, 14412 MT (20%) from Iran, 12072 MT (17%) from Singapore, 6016 MT (9%) from Taiwan, 5320 MT (8%) from Malaysia, 5227 MT (7%) from South Korea and 88 MT from Other Countries. While in the month of August 2020, India imported 70511 MT of Toluene into different ports like 37242 MT (53%) into Kandla, 7708 MT (11%) into Vishakhapatnam, 7625 MT (11%) into JNPT, 4990 MT (7%) into Mumbai, 4054 MT (6%) into Pipavav, 3412 MT (5%) into Kolkata, 3346 MT (5%) into Ennore, 2097 MT (3%) into Hazira, and 39 MT into Dadri.

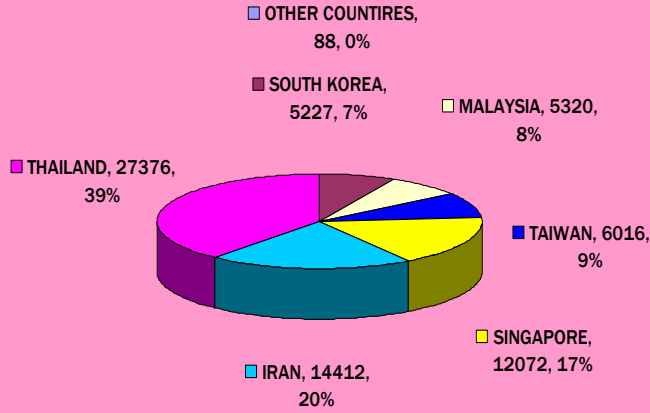

During the month of August 2020, **India imported** 1098 MT of **Sludge Oil**. The country imported 810 MT (74%) from UAE, 84 MT (8%) from Singapore, 79 MT (7%) from India, 53 MT (5%) from Liberia, 34 MT (3%) from Hong Kong, 24 MT (2%) from Bangladesh and 79 MT (7%) from South Africa. While in the month of August 2020, India imported 1098 of Sludge Oil into different ports likes 799 MT (73%) into Kandla, 87 MT (8%) into JNPT, 53 MT (5%) into Mundra, 43 MT (4%) into Vishakhapatnam, 38 MT (3%) into Krishnapatnam, 29 MT (3%) into Gangavaram, 24 MT (2%) into Jaigad, 18 MT (2%) into Hazira and 7 MT (1%) into Magdalla.

During the month of August 2020, **India imported 3275 MT of White Spirit**. The country imported 3211 MT (98%) from Thailand and 64 MT (2%) from Kuwait. While in the month of August 2020, India imported 3275 MT (100%) of White Spirit into Kolkata.
